

JEE Main (2023) Information

About JEE (Main) - 2023 : The Joint Entrance Examination, JEE (Main) comprises two papers. Paper 1 is conducted for admission to Undergraduate Engineering Programs (B.E/B.Tech.) at NITs, IITs, other Centrally Funded Technical Institutions (CFTIs), and Institutions/Universities funded/recognized by participating State Governments. JEE (Main) is also an eligibility test for JEE (Advanced), which is conducted for admission to IITs. Paper 2 is conducted for admission to B. Arch and B. Planning courses in the country. The JEE (Main) - 2023 will be conducted in 02 (two) sessions for admissions in the next academic session. The candidates will thus benefit in the following ways:

This will give two opportunities to the candidates to improve their scores in the examination if they are not able to give their best in one attempt.

In the first attempt, the students will get a first-hand experience of taking an examination and will know their mistakes which they can improve while attempting for the second time.

This will reduce the chances of dropping a year and droppers would not have to waste an entire year.

If anyone missed the examination due to reasons beyond control (such as the Board examination), then he/she will not have to wait for one entire year.

A candidate need not appear in both Sessions. However, if a candidate appears in more than one Session then his/her best of the JEE (Main) - 2023 NTA Scores will be considered for preparation of the Merit List/ Ranking.

Important Note:

(a) For Multiple Choice Questions: To answer a question, the candidates need to choose one option corresponding to the correct answer or the most appropriate answer. However, if any anomaly or discrepancy is found after the process of challenges of the key verification, it shall be addressed in the following manner:

(i) Correct answer or the most appropriate answer: Four marks (+4)

(ii) Any incorrect option marked will be given minus one mark (-1).

(iii) Unanswered/Marked for Review will be given no mark (0).

(iv) If more than one option is found to be correct then Four marks (+4) will be awarded to only those who have marked any of the correct options.

(v) If all options are found to be correct then Four marks (+4) will be awarded to all those who have attempted the question.

(vi) If none of the options is found correct or a Question is found to be wrong or a Question is dropped then full marks will be awarded to all candidates who have appeared irrespective of the fact whether the question has been attempted or not attempted by the candidate.

(b) For Numerical Value Questions:

There will be negative marking for Section B. However, if any anomaly or discrepancy is found after the process of challenges of the key verification, it shall be addressed in the following manner:

- i. Correct Answer: Four marks (+4)
- ii. Incorrect Answer: Minus one mark (-1)
- iii. Unanswered/Marked for Review: No mark (0).
- iv. If a question is found to be incorrect or the Question is dropped then Four marks (+4) will be awarded to all those who have attempted the question. The reason could be due to human error or technical error.
- v. Candidates are advised to do the calculations with the constants given (if any) in the questions. The answer should be rounded off to the nearest integer.
